

The NZSSA Secretary Report 2014

This has been a busy year for the NZSSA Executive with three meetings over the past year including the election of a new President.

There was a small flow of sent and received correspondence mainly around joining the ANANZ.

There is one vacancy on the Executive for the South Island Chapter which will be filled at the next election in 2016.

On August 6th 2014, Shelagh and I attended the Inaugural meeting for the ANANZ which was held in Wellington. The NZSSA were officially welcomed as Associate members of the ANANZ

The NZSSA granted permission for Amelia Howard from the Preoperative Nurses Committee to add the NZSSA Guidelines for Loan Equipment to their web site.

Facebook has been a good tool for getting our message out to the Association and has received positive feedback.

As part of the 40th Anniversary celebrations, all the Life Members were invited to attend the dinner.

I would like to take this opportunity to thank the Executive for their support and assistance over the past year.

Regards

Martin Bird
